Product Description

Product Description:

Used Tang DM

Looking for a powerful, eco-friendly SUV that offers both hybrid efficiency and performance? Check out this 2015 BYD Tang DM 2.0T AWD Luxury Edition!

Hybrid Powertrain: Equipped with a 2.0T turbocharged engine and dual electric motors, providing a combined output of 505 horsepower. Enjoy smooth electric driving for short trips and switch to hybrid mode for extended journeys.

All-Wheel Drive (AWD): With its intelligent AWD system, the Tang DM ensures excellent grip and handling on various terrains, enhancing both safety and driving pleasure.

Luxury Interior: The spacious cabin features premium leather seats, a panoramic sunroof, and multi-zone climate control, offering comfort and style for all passengers.

Advanced Technology: Includes an infotainment system with a touchscreen display, GPS navigation, Bluetooth connectivity, and a premium sound system.

Safety Features: Equipped with multiple airbags, ABS, electronic stability control, parking sensors, and a 360-degree camera for peace of mind.

This vehicle has been well-maintained and is in excellent condition, both inside and out.

Routine maintenance and servicing have been completed on schedule. No major accidents or mechanical issues.

The Tang DM offers the perfect balance between performance, fuel efficiency, and eco-friendliness. With its hybrid powertrain, you can enjoy the benefits of reduced fuel consumption while still having the power needed for dynamic driving. Ideal for families or individuals looking for a stylish, reliable, and environmentally friendly SUV.

Contact me today for more details or to schedule a test drive! Don't miss this chance to own a premium hybrid SUV with both luxury and performance.
